

Figure 1 consists of five diagrams, labeled (a) through (e), each showing a different configuration of black squares and letters on a white background. The letters are arranged in a way that suggests a specific pattern or sequence. Diagram (a) shows a small cluster of black squares and letters. Diagram (b) shows a larger, more complex pattern. Diagram (c) shows a pattern with a central cluster of black squares. Diagram (d) shows a pattern with a central cluster of black squares and a large 'X' shape. Diagram (e) shows a pattern with a central cluster of black squares and a large 'X' shape, similar to (d) but with different letter arrangements.
