

A complex black and white graphic featuring a large, stylized letter 'A' on the left. The 'A' is constructed from a variety of symbols, including solid black shapes, white shapes, and patterns of small triangles, circles, and letters. To the right of the 'A' is a vertical column of symbols, including the letters 'LA', 'L', and 'A' at the top, followed by a series of small triangles and circles. The overall composition is abstract and geometric.

A complex black and white fractal image, likely a Sierpinski triangle, composed of many small, repeating geometric shapes (triangles, squares, circles) arranged in a large, irregular, somewhat rectangular frame. The image is highly detailed and symmetrical.

[illegible]

A complex fractal-like pattern composed of black and white pixels, forming a large, irregular shape. The pattern includes several instances of the text "PLAYMODEPLAYMOD" and "OD" interspersed among the pixelated background.
